

FUNDAMENTALS OF DIVINE SCIENCE

LESSON XX

FINAL EXAM

Name: _____ **Date:** _____

A review of all lessons and a general review of *Divine Science: Its Principles and Practice*, will prepare you for this final test. You may consult the textbook and lessons if you are not certain about some of the answers.

True-False Test

- 1..... The basis of reasoning in Divine Science is the Omnipresence of God.
- 2..... Whatever is contrary to God is contrary to Truth.
- 3..... Man has a lower self which is constantly trying to overpower the higher self.
- 4..... God is both personal and impersonal, both immanent and transcendent.
- 5..... The perfect Principle of Life is expressed in everything that lives, moves and has being.
- 6..... There is one great Principle behind all things.
- 7..... Creation is the manifestation of perfect Being and must be as perfect in essence as its source.
- 8..... There is one Mind but many expressions of that Mind.
- 9..... In all creation we find the very substance of the Creator from which the creation emanated.
- 10..... Substance is Spirit.
- 11..... Substance is omnipresent in the invisible as well as the visible.
- 12..... There is disintegration and decay all about us.
- 13..... The imperfection we see in the world is a result of the belief in separation from God.
- 14..... If we give up our false beliefs and live by the Truth, our past beliefs can no longer affect us.
- 15..... The Law of Expression is *like produces like*.

- 16.....We make ourselves what we are by our thoughts.
- 17..... God brings affliction upon man.
- 18..... Man always expresses his true nature.
- 19..... The body is real, and is part of the God-Idea of man.
- 20.....The purpose of healing is not merely to relieve.
- 21..... Affirmations do not make anything; they declare that which is already the Truth.
- 22..... There is no such thing as “solid matter.”
- 23..... No mesmerism is exercised in Divine Science.
- 24..... Divine Will is often at variance with Divine Nature.
- 25..... Substance is omnipresent; there is no such thing as “empty space.”
- 26..... Divine Mind is the intelligence of the universe.
- 27.....We pray and meditate in order to see the Truth of God and the Truth of ourselves.
- 28..... Man is eternally what he is, but his thought about himself unfolds into clearer consciousness.
- 29..... A “treatment” for yourself or another is an extended affirmation or a short affirmative prayer.
- 30..... God plants in each living soul “a perfect seed”; right thinking is the method of cultivation.
- 31..... Self-examination is essential in learning to live true to Principle.
- 32..... The perception of Truth is a progressive process.
