

Part II: "...AND I IN YOU."

RENUNCIATION

LESSON XV

"To this end was I born, and for this cause came I into the world, that I should bear witness to the truth."  
John 18:37

"I can of mine own self do nothing. I seek not mine own will but the will of the Father which hath sent me."  
John 5:30

"Hitherto the law had been the observance of Individual Will; now came the law to observe the Father's Will."  
Malinda Cramer

Dying to both aversion and desire, leaving behind legalism and tribalism, old beliefs, opinions and personal identity, we live and move and have being in a new and living way, which he hath consecrated for us.

Forsaking all else, we are born new in the conscious awareness of the pure nature of God's Oneness. This is the Love that casts out all doubt and fear and shatters all sense of limitation. In the completeness and wholeness of this pure love, all illusion of separation melts away.

In complete agreement with this illuminating, purifying, living flame, at-one-ment is revealed. "I and my Father are one." "There is one body, and one Spirit,...One Lord, one faith, one baptism, one God and Father of all, who is above all, and through all and in you all."

ASSIGNMENT FOR LESSON XV

Let Truth be an inspiration so that the Lord (the Law) wash not only your feet (your understanding), but your hands (that gather and hold), and your head (that operates in duality). Let the purity of God's unconditional love reveal the perfection that is His creation.

Renouncing all worldly judgments and opinions, all interest in demonstration or outcome, turn within and bear witness to the perfect union of Love and Consciousness.

Read John Chapter 17. Meditate on that which is given to you.

Reveal briefly in writing what it is that changes in renunciation, surrender and release.
