
THE MAGNIFICENT LAW OF SONSHIP

"Son, thou art ever with Me, and all that I have is thine."

—Luke

15:31

Mind and Its idea, Love and Its manifestation, God and man—these are one, inseparable and indivisible.

Mind can never be separated from Its idea. Love can never be separated from Itself. God cannot be divided from Itself. Man is the life, intelligence and substance of God proceeding forth as infinite individuality. Melinda Cramer has stated, "God proceeds forth as Man."

Therefore I (man) am the activity of Mind. I (man) am the Life, Truth, and Love of Infinite Being, individualized.

All good is within God. Man and God are One. Therefore All Good is within man.

Since God is Mind, Mind always manifests as Law. "The Law (mind) of life is perfect," not "becoming perfect," but "is perfect!"

Therefore, that which we term error or sin or evil or limitation or disease is nothing more than crystallized negative thought.

Evil is not law, but mortal belief falsely accepted as law.

Evil can never be law. God is Law. God as law is within man. Therefore the only Man there is, is the God-man. A sick, sinning, fearful man has no real existence anywhere, at any time.

Disease is not law. Health (wholeness) is law. The Law of God cannot be reversed. Wholeness (God-consciousness) is "the same yesterday, today, and forever."

If you have a desire to step up your demonstrations, then "think through" these truths:

1. There is no outside factor to interfere with the Divine Science of God and God's Man (Manifestation).
2. There is no law to cause the return of a false belief or false habit.
 - a. A God-idea will always support our word or treatment.
 - b. A God-idea is Substance, Truth made usable.
 - c. You, as spiritual consciousness individualized, are a law unto yourself.
 1. "All power in heaven and earth is given unto the Son"

- and YOU are the Son of God.
2. You are infinite, limitless Consciousness expressing infinite, limitless individuality.

You realize there is only one real Consciousness. Consciousness is "good and very good." You "live and move and have your being in The Good."

Good is unchanging. Good is everlasting. Good cannot come and go. Good is absolute. Good is the only Law.

The magnificent law of SONSHIP gives you the ability to realize and prove these truths:

1. Everything Real or Good exists right now.
2. The Good I claim is complete and perfect right now.
3. All good is ever present, ever available, now.
4. My prayer or treatment is not a mental act of doing something to someone or to myself. My prayer or treatment is a realization of what already is; and my action is in accordance to that realization.
5. When I pray or treat, I am not creating good or repairing or altering anything, although it may seem to do exactly this. For prayer or treatment is a complete realization of the perfect Man as he already is. "Ye be perfect" is the true command of spiritual consciousness.

The more steadfast you become in identifying yourself and others as the expression of infinite Consciousness, instead of human experience and bodily limitation the more freedom and mastery will show forth in your daily unfoldment.

There is a tremendous step-up in unfoldment whenever the individual can forget his so-called humanness, and merely rejoice while abiding in the awareness of God-consciousness, here and now.

God is Consciousness. God-consciousness is my consciousness. In God I am complete.

Spiritual Consciousness blesses our thoughts and body and actions.

While it is far better to be humanly good than humanly bad, nevertheless realize that human goodness is not spiritual Good. Think through the truth that Spirit transcends all human actions or beliefs.

Let us clear up a misconception that has misled many, especially earnest

religious people. The spiritual man is not a human being who is constantly thinking spiritual things; that is, a material person (spiritually minded.) The spiritual man is the real permanent man now and always in heaven, the son of God.

—Life Understood, Rawson
